Fiscal Analysis

- ASSUMPTIONS:
- Department of Environmental Quality (DEQ)
1. The current statute mandates full compliance, with mandatory formal enforcement for anything less than full compliance.
 2. The proposed changes would reduce formal enforcement by approximately 10 per cent. Staff would continue to pursue full compliance.
 3. The department estimates there would be no fiscal impact based on the assumption that staff time saved by not pursuing formal enforcement will equal the time spent conducting compliance assistance and informal enforcement.
